Commissioner for Patents

The reply filed on 8/14/03 is not fully responsive to the prior Office action because of the following omission(s) or matter(s):

In the previous amendment filed on 2/26/03 the applicant cancelled claims 1-25. The applicant filed the amendment on 2/26/03 (claims 25-31); by rule, the new claims 25-31 were renumbered 26-32. And the amendment filed on 3/17/03, the applicant asked to cancel claim 29-31 and add new claims 30-33. And the amendment filed on 7/24/03 and supplemental amendment filed on 8/14/03 including claims 30 and 31, which support to be the cancelled claims. And the applicant keeps sending the wrong numbered claims. It is so confusing because the examiner does not know which claims are pending, therefore the applicant is advised to submit a new supplemental amendment and including all pending claims with the corrected numbering claims.

No addition response time is provided.
